sweet talk

sugar + sunshine bakery uses only the finest and freshest ingredients available. we only use real butter, real eggs, and other things that everyone can pronounce.

we love chocolate, so we use the good stuff. we love animals, so all our items are vegetarian-friendly. we love our moms, but we still stole their recipes so we could bring their yummy goodness to you.

we think anytime is a good time for a cookie...or a brownie...or a piece of cake...so we always have one when you want it. if you want something special, just ask us and we'll do our best to make it happen. if you have any food allergies, please let us know and we'll tell you which items might not be right for you.

if you have questions about anything on our menu, don't hesitate to ask. if you have a suggestion, let us know. if you want to be the first to know about specials, promotions and other sweet news, join our mailing list.

all our menu prices include tax, so you can leave those pennies at home. menu prices also include our advice and consultation, which we think is priceless.
